The Northeast Hemi Owners Association is a nonprofit organization incorporated in the state of Delaware. The purpose of the club is to aid the members and their families in the enjoyment and restoration of their Chrysler-powered high performance vehicles. Officers are elected every three years and serve without compensation. Members receive club newsletters and are invited to participate in all club events.

Checks should be made payable to the Northeast Hemi Owners Association. The \$25.00 yearly membership fee includes six bi-monthly newsletters. For Joint membership, add additional \$5.00 dues. Joint membership allows both husband and wife to vote and hold office in the association. Canadian memberships are valid only when paid by postal money orders in the U.S. currency. Application for the membership does not guarantee acceptance.
