HOW DID YOU HEAR ABOUT THE NeHOA? _____

This information will only be used for internal club business.

The Northeast Hemi Owners Association is a nonprofit organization incorporated in the state of Delaware. The purpose of the club is to aid the members and their families in the enjoyment and restoration of their Chrysler powered high performance vehicles. Officers are elected every three years and serve without compensation. Members receive club newsletters and are invited to participate in all club events. Members are allowed to hold office and vote in elections. See more information about the club on reverse side.

The yearly membership fee includes six bi-monthly newsletters. Dues are \$15.00 USD for Individual membership and \$15.00 USD for Joint memberships. Joint membership allows both persons to vote and hold office in the association. New members will receive a voucher good for a free NeHOA tee shirt. Two vouchers for a new joint membership.

We are on the web at nehoa.org and you can find us on Facebook by searching for Northeast Hemi Owners Association.

Mail this form with payment made out to NEHOA to:

Northeast Hemi Owners Association

Thank you for your interest in the Northeast Hemi Owners Association (NeHOA)

First, although we do have “Hemi” in our club name, we are not for Hemi owners only. In fact, most of our members do not own HEMI’s at least not the classic Hemi car. We are a club for all MOPAR performance enthusiasts and their families.

The NeHOA was formed in August, 1976 by a dedicated group of MOPAR enthusiasts to coordinate activities within the National Hemi Owners Association (NHOA), Region 1. The founders of the club were Boone Reichart, Mike Petersen, Anatol Vasiliev, Chuck Travelbee, Rick Larsen, Harland Avezzi and Jim Lusk.

It was decided that the club should be independent for the protection of members and to be able to carry on business and so the club was incorporated in Delaware in 1977. Many non-HEMI MOPAR owners became interested in the club and the club evolved to its present status as one of the longest-lived, strongest Chrysler clubs in the country.

The NeHOA is run by three elected officers who serve three year terms. Overseeing these operations are five Board-of-Directors who are elected to five, staggered year terms.

The activities of the club center around two large meets held each year over Memorial Day and Labor Day weekends. In addition, the club usually has a presence at several other large car shows and meets like Carlisle, The MOPAR Nationals, Englishtown, etc. The meets are centered around family-oriented activities such as tourist attractions, historical sites, vehicle assembly plant tours, picnics, a banquet, Amusement parks, etc. No competition events are scheduled like judged car shows or racing although, where it is convenient, a local drag race facility may be available for members who want to exercise their “beasts”. Weekend activities usually start on Friday night and run through Sunday evening.

In addition to club events, your membership entitles you to six newsletters, sent bimonthly via first class mail. The newsletters contain meet information, articles from officers, ads for parts and cars and some technical articles.

Memberships fees are \$15 per year (in US funds please). Also available is a joint membership for \$15 which permits both persons to fully participate in club business, elections and voting.

The NeHOA is a club where you can bring your car and enjoy activities with your friends and others who enjoy the same hobby. Many members have been with the club for 20 years and longer. We would like to have you as a member and look forward to hearing from you. If you have any questions, please contact the membership director whose name, address, phone number and email address are on the membership application form or you may contact us via the web site.
